

Austrian Standards plus 
Certification

Certificate

of factory production control
No. 0988-CPD-0607

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Precast concrete products foundation elements

produced by the manufacturer

Ing. Prunotto S.p.A.
Piana Gallo 3, I-12060 Grinzane Cavour – CN -
Italy

in the factory

**Piana Gallo 3, I-12060 Grinzane Cavour – CN -
Italy**

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory and that the notified body – Austrian Standards plus GmbH – has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 14991
edition 2007

were applied.

This certificate was first issued on 2009-01-28 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly (see www.as-plus.at/certification).

Date of issue: 2009-01-28
Place of issue: Vienna

Dipl.-Ing. Wolfgang Höhl
Director Certification
